First Place

Space Coast Therapy Dogs "Best Paws Forward" table display won first place at the 17th Annual Canine Festival sponsored by the Brevard Kennel Club. The table was highlighted with balloons signifying our 15th anniversary. The heart-shaped balloons were given to children at the end of the event. Current photos were displayed on the board and table along with our media display. Our theme was carried out with our therapy dogs wearing "Best Paws Forward" bandanas to match the center tablecloth. We received a beautifully framed certificate and a \$100 check.

Teams Representing Space Coast Therapy Dogs, Inc.
